ABS Knows How to Make Even the Smallest Contribution Make A Difference!

◆**Research**– ABS conducts research projects and committee activities focused on specific areas of back care. Findings from this research is presented at our educational meetings and published by medical professionals in a variety of medical publications, including the American Back Society Newsletter.

◆**Further develop our educational programs.** ABS is devoted to continuing medical education. Our programs focus on the latest technologies and developments in the healthcare industry. We invite your participation in these educational events. As a member of ABS, you will receive a special discount, an opportunity to be involved in committee research activities, and receive our ABS

**ABS
Cannot Succeed Without Your
Contributions.**

As a non-profit corporation, American Back Society depends on the support of its members, participating, faculty, and a variety of generous organizations. All contributors can be assured that donations will enable ABS to further develop research and education that will be of return benefit to back care specialists and the healthcare industry as whole. With the ultimate goal of improved healthcare . Your kind consideration is greatly appreciated. Thank you for your generosity.
